SIR,

I am directed to refer to your letter No.Pol.2156/P & S.5-40-75, dated the 24th June 1941, and to say that the instructions conveyed in my letters No.F.193-39(89)/W, dated the 7th September and 1st October 1940, relate only to the despatch of Gazettes and Government publications to countries outside the British Empire and do not affect the procedure for the despatch of such publications to Canada or any other place within the British Empire, especially when they are not addressed to foreign officials and are not likely to be despatched to foreign countries. There is thus no objection to the Government of Mysore sending copies of their Gazettes direct to the Indian Branch of the International Labour Office at Canada. The three issues of the Gazette sent to this Residency for transmission to that office are accordingly returned.

Sir,
